## United Way Expands Board; Inducts Two Local Members

[TOLEDO, Ohio] – United Way of Greater Toledo (UWGT) is pleased to welcome two new members to its Board of Directors: Rasesh Shah, president of The Andersons Rail Group and Jill Kegler, a realtor with the Danberry Company.

“Throughout their careers, Rasesh and Jill have been incredibly active in their communities. Not only do they offer invaluable insight and knowledge, they have also shown commendable dedication to making the Greater Toledo area a better place for all,” said Tom Waggoner, UWGT board chair.

Mr. Shah has been with The Andersons since 1978 and currently manages 23,000 railcars and 20 rail repair facilities across the United States. Shah is a graduate of The University of Toledo, where he received his Bachelor’s in Mechanical Engineering, Master’s in Industrial Engineering and MBA in finance.

Ms. Kegler joined Danberry Co. in 2017 and previously served as president of the Kellermeyer Group. She has been an active United Way volunteer, primarily assisting UWGT’s Wood County office in Bowling Green. Kegler received her Bachelor’s degree in communications from Michigan State University and brings with her a diverse set of leadership skills.

“We look forward to the insight Jill and Rasesh will bring to our Board of Directors. It is always great to see two dynamic individuals share their skills and time with United Way,” said Kathy Doty, Chief Operating Officer of UWGT.

Shah and Kegler were approved for membership at the January 17 UWGT Board of Directors meeting. Their three-year terms take effect immediately.

Both are residents of Holland, OH.
